Packaging

Sustainable Packaging Solutions for Australian Businesses

Kris Kraft Packaging is an Australian-owned supplier of sustainable foodservice and industrial packaging solutions. We are committed to helping businesses reduce their environmental impact by providing high-quality, reliable, and cost-effective packaging products.

We offer a comprehensive range of eco-friendly packaging solutions including paper cups, food containers, takeaway packaging, biodegradable products, compostable materials, paper bags, wooden cutlery, and catering supplies.

Our focus is on delivering exceptional customer service, competitive pricing, and dependable supply solutions to restaurants, cafés, food trucks, catering businesses, aged care facilities, hospitality venues, NDIS providers, and commercial businesses throughout Australia.

Whether you are a small local café or a large national operation, Kris Kraft Packaging provides tailored packaging solutions designed to meet your business needs while supporting a more sustainable future.

Why Choose Kris Kraft Packaging?

- Premium Quality Products** – Sourced from trusted manufacturers for durability and performance.
- Reliable Supply & Fast Delivery** – Consistent stock availability and on-time delivery across Australia.
- Competitive Pricing** – Affordable solutions without compromising on quality.
- Eco-Friendly & Sustainable Solutions** – Environmentally responsible packaging options to support a greener future.
- Personalised Customer Service** – Dedicated support to help your business grow.

We don't just supply packaging — we help businesses build stronger brands through quality, sustainable packaging solutions.

WHY IT MATTERS

Environmental protection is essential to human health, biodiversity, and climate stability.

Deforestation, pollution, and overconsumption are threatening the planet.

Now is the time to act — to conserve resources and create a sustainable future.

BUILDING A SUSTAINABLE FUTURE

Creating a greener world requires more than awareness — it calls for action, innovation, and collaboration.

WE FOCUS ON

- Educating future generations through environmental programs and school outreach
- Promoting clean technologies that reduce emissions and protect natural ecosystems
- Empowering unities with tools resources to live re sustainably

HOW YOU CAN HELP

- Recycle and compost regularly
- Switch to energy-efficient appliances
- Use public transport or bike more often
- Choose eco-friendly products
- Support environmental organizations

**YOUR CHOICES MATTER. LET'S
PROTECT WHAT WE LOVE.**
